Dear Sir,

I am pleased to introduce Rashtriya Raksha University (www.rru.ac.in), an Institution of National Importance, established vide Act No. 31 of 2020 by the Parliament of India, a pioneering national security and police University established by the Ministry of Home Affairs, Government of India. The University aims to provide comprehensive education, research, training and extension programs in all aspects of national security and police to youth aspiring to join security and police forces, and thus create and maintain a workforce of highest professional standards. Hon'ble Prime Minister, while dedicating the University to the nation on 12 March 2022, emphasised the need for a close working relationship between the security establishments and the University to ensure an excellent integrated security training and research ecosystem for our country.

One of the practical ways is to have round-the-year availability of experts/ specialists from various fields to interact and groom faculty, students and trainees, and inculcate all essential inputs to RRU programs. Women empowerment in security forces and policing to prepare cadre of dedicated and trained women personnel for the national security and policing is one of the important goals. The women colleagues / instructors can serve RRU main campus in Gandhinagar (Gujarat), Lucknow (Uttar Pradesh) Pasighat (Arunachal Pradesh) and other upcoming campuses in India. To achieve this goal, I kindly request you to depute 1-2 women officers, with an education/training inclination, on deputation/ off-loan basis at the earliest, preferably by 31 January 2023, initially for one-year period on an extendable basis subject to the mutual satisfaction of the two organizations. RRU applies DoPT deputation rules (copy attached).

DC (C) / A-DC Admin

To facilitate your selection of women officers, I am attaching the RRU information brochure, training calendar and courses envisaged for our youth aspirants, in-service and ex-service personnel. As the head of the Organisation, your personal encouragement and interest is essential in achieving this goal and I am sure you will help us in this regard by all possible means.

ex ref

Looking forward to your cooperation and welcoming the women officer(s), I remain.
