माओ सर्वोच्च न्यायालय के आदेश से सम्बन्धित संस्तुतियाँ एवं सम्बन्धित विभाग, जिनके मत्र से कार्यालयी अपेक्षित हैं, का संक्षिप्त विवरण-

(iii) Economic and other ramifications:

- (a) Heavy drainage of large population of domestic animals.
- (b) Great setback to the development of agriculture as well as animal husbandry.
- (c) Probability of outbreak of contagious and infectious disease.
- (d) Illegal activities with respect to sale and transportation of livestock including cross border smuggling.

C. Recommendations:-

1) Activation of legally mandated institutions and mechanism;

The legal framework for protection and welfare of animals is already well established through Prevention of Cruelty to Animals Act 1960 (PCA) and also by the Hon'ble Supreme Court of India in the W.P.(C) No. 440/2001 dated Geeta Seshamani Vs Union of India and Ors.

The protection and welfare of animals in the States has been entrusted with the District Semi-Government Statutory bodies called the Societies for the Prevention of Cruelty to Animals (SPCA). These need to be constituted under the prevention of Cruelty to Animals (Establishment and Regulation of Societies for the Prevention of Cruelty to Animals) Rules, 2001 (hereinafter "SPCA Rules").

It is the duty of each State to constitute Distt. SPCAs in each and every district in the State as per Rule 3 of the SPCA Rules in each districts of the Federated States

A Concise Note on Recommendation

In Uttar Pradesh under the notification of PCA act 2001 The establishment of SPCA and regulation rule 2001- In Section 3

- (1) State Animal Welfare board has been instituted vide order No. 3152/37-1-10-11(29)/2001 Date 5-7-2010 and by letter no..... the board has been established.
- (2) Vide letter No. 3548/31/1/10/11(29)/2001 dated 28-7-2010 in each district of U.P. district SPCA has been instituted and by order No. 4542/37/1/2010 date 15-1-2013- 65 district
- (3) 534/37-1-2013 date 4-6-2013 9 district has been established

In Lucknow S.P.C.A has been worked previously.

The SPCAs are often non-existent or barely functional. The issues of budget allocation and coordinating with the creation of full time posts for veterinarians or the officer in charge also require to be addressed.

The Hon'ble Supreme Court has also directed the States to constitute 'State Animal Welfare Boards' (SAWB) to supervise and coordinate with the Distt. SPCAs. Although the State Animal Welfare Boards have been notified, their complete activation is yet to be achieved. Accordingly the following are recommended:

- (a) The States may be directed to establish the mandated State Animal Welfare Boards and District SPCAs by according appropriate budgetary allocation, revision of land infrastructure and by creation and filling of posts.
- (b) As per the provisions of Section 58 & 59 of PCA 1960, Union Govt must provide assistance to the SAWBs and SPCAs to setup the same and make operational these institutions.
- (c) Union Govt. may be asked to provide assistance to the SAWBs and SPCAs to set up the same and make operational these institutions. Govt should fund the animal welfare schemes. Proper budget provisions may be made for various animal welfare schemes.
- (d) Both Union Govt & State Govt may also consider funding animal welfare schemes & participating animal welfare program ensuring RSS (State Sponsored Share), SSS (State Sponsored Share) & SGS (State Government Share) funding by each Central or State

For budgetary provision the District administration and Department of Animal husbandry (AH) are using budget from usual budget. For smooth running the schedule of New Demand for budget allocation has been given to government.

For land the G.O may be given by Revenue Department.

In the district level OSPCA chief veterinary officer has been deputed as secretary member and doing Animal Welfare related activities with its duty.

For Budgetary provision AWBI may be requested.
(Government of India)

By AWBI it is sanction fund to its recognized NGO (Animal welfare organisation) for

- (a) Animal shelter 25 lac(10% NGO share) viz 22.50 lac
- (b) Ambulance/Animal carrier 3.50 lac
- (c) Animal Breed Control programme fund given to municipalities 370/- Rs per operation.
- (d) Regular grant to recognized NGO

(e) The District SPCAs in border districts may nominate a representative of SSB as a member along with the District Prosecution Officer for better coordination.

2) Creation and maintenance of Infrastructure:

The States may set up Kanji Houses/animal shelter through their respective DSPCAs, Municipal authorities and NGOs in each and every District with sufficient capacity to ensure that rescued animals are adequately sheltered and cared till their rehabilitation. Services of Veterinary Officers and staff may be made available in the area of each Kanji House/animal shelter for its effective running and maintenance.

One Kanji House/animal shelter may be set up within 15 Kms of the International Border in each District by the concerned State Govt.

3) Awareness:

- The main problem of sacrificing cattle at the Gadhimai Mea is in the superstition which is associated with the fulfillment of wishes. Besides the enforcement there is need to create awareness regarding superstition and beliefs by organizing camps for educating the people through educational films/documentaries or through performing arts to convey a befitting message. These films may be made in Hindi and local languages to connect with the local population.

- In addition, special awareness drives may be conducted in educational institutions across the State with respect to development of scientific temper to dispel any superstitions emanating from such superstitions.

(e) In constitution of DSPCA a member from SSB and District Prosecution Officer of the seven border District of Indonepal border may be included by separate G.O.

In U.P. through AWBI Animal shelter has been established which are regulated by the NGO

For Kanji house or cattle pond the local self government/ Panchayat can be called

By help of local self government/ Panchayat the Kanji house/Animal shelter within 15 Km from Border line. For this AWBI may be requested.

Department of Revenue may be asked for arrangement of land.

Department of Finance for arranging finance.

Animal Husbandry Department will coordinate

3 Training camps etc with film shows, documentaries regarding checking of animals sacrifices will be organized in all district specially at 7 district of Nepal border

(with help of AWBI Chennal, Department of Information, Department of Education)

Special drive throughout state in respect of above subject

(with financial support of AWBI/SAWB by DSPCA) department of Information may be lead role in awareness.

(By help of Department education, Department of Information it can be made easy.)

Animal Welfare Board of India (AWBI) has the mandate to provide education in relation to humane treatment of animals under Section 9-k of the Prevention of Cruelty to Animals Act 1960. Hence films and other literature to discourage ritual sacrifice may be provided by them.

Letter to AWBI regarding organizing education in PCA (AWBI)

30

• 5% of the budget of AWBI and State Animal Welfare Boards may be spent on awareness generation and capacity building.

Letter to AWBI/SAWB for using 5% budget in awareness and capacity building (AWBI)

• The State Animal Welfare Boards may supervise and coordinate with the District SPCAs to spread information and awareness on animal welfare and ritual sacrifice, the ill effects of sacrificing productive livestock, the rules regarding transport and the legal framework in place. Such awareness may also be disseminated through print, TV and radio broadcasts in addition to face to face interactions with the public at such venues as town hall or Panchayat, public rallies etc.

The order will be circulated regarding stoppage of sacrifice

(Through department of Information TV/Akashwani/Education may be invited in fulfilling the cause)

• SSB will play an active role in spreading awareness amongst the masses in its Area of Responsibility under its Samajik Chetna Abhiyans and other Civic Action Programmes. Special awareness campaigns throughout the States may be organized by all the concerned agencies

SSB can help in campaign under samajikChetnaAbhiyanetc through out the state

4) Sensitization and training of all stakeholders:

The effective enforcement of the law requires coordinated efforts by various Union and State agencies including Sashastra Seema Bal (SSB), Central Police, DGP,

Trainings will be given to all stakeholders regarding PCA act at state and district level by Financial support of AWBI. The training will be organized by AHD with the help of AWBI. In this Police, Custom, SSB.

Ministries, the Department of Animal Husbandry; Transport Department, Forest Department, Public Health Department, Food Safety Department, Panchayati Raj Department & Rural Development Department and Municipal authorities. To ensure smooth and effective implementation of the laws in force, it is necessary to sensitize all concerned agencies towards the issue of animal protection and welfare particularly the issue of ritual animal sacrifice.

- Law Enforcement Agencies Training Module on Animal Welfare developed by AWBI and circulated by Bureau of Police Research & Development may be implemented in a) Law Enforcement Training Institutions across the States as well as in the SSB. In addition, inter-agency training programmes may be conducted by the District Administration for effective implementation of Animal Welfare and Protection Laws and ensuring greater clarity of roles played by each agency;
- The issue of Gachimai Mela and animal sacrifice in general on either side, may be included as agenda point in various regular formal and informal meetings organized between the officers of both the countries like - Co-ordination Meeting between DG, SSB and iG, APF Nepal, Bilateral Consultative Group (BCG) on Security issues (Joint Secretary level meeting), Joint Working Group (JWG) on Border Management (Joint Secretary level meeting), Coordination meeting between Sector OISG of SSB with their Nepalese counterparts Border District Coordination Committee (BCCC); Meeting between respective OAI from Indian side and IOC from Nepal side, Formal Occasions.

Transport, forest, Public health Department, Food safety Department, Panchayati Raj Department, Rural Development Department, Urban Development department will be included.

AWBI will be asked for training of police for law enforcement.

(AWBI will make module for training)

Department of Police, Home,SSB.

CDO/DM meeting to Nepalese counterpart of Nepal Border district. A letter to organize border district coordination committee which is headed by DM, for such subject (By Chief Secretary to DM)

5) Restriction on slaughter:

Apart from focusing on Gachhmer alone which happens once in 5 years, all the small animal sacrifice events may also be summarily discouraged and illegal slaughter of animals prevented by the State Govts. and their agencies. This way a solid platform and precedence can be built before the next Gachhmer event.

No animal slaughter may be allowed at any religious or public place and slaughter may be permitted only in accordance with the Food Safety and Standards Act 2006 and Regulations 2011.

6) Regulations of Pashu Haats/Melas:

Rules may be framed to regulate cattle markets ensuring that healthy cattle are being sold only for legally authorized purposes. Such guidelines have been drafted and adopted by Uttarakhand State on 22nd December 2010 through GO number 2722XY-1/107(S9)/08 (Annexure A-3). This may be adopted as a Rule under Section 38 (1) of the Prevention of Cruelty to Animal Act 1960.

7) Transportation of Animals:

Animal transportation may be done only in accordance with the various Acts and Rules in vogue including:

- Prevention of Cruelty to Animals Act 1960
- Transport of Animals Rules 1978.
- Transport of Animals Amendment Rules 2001
- Motor Vehicles Act 1988.
- Indian Penal Code 1860.
- Food Safety and Standards Regulation 2011

At present there is no specific Directorate concerned for unmarked cattle transport.

GovadhniVivanAbhiyaan 2002 and such other Acts and rules should be published for Public awareness.

Letter to be written by C.S. to D.M. for not sacrificing animal slaughter at religious place or public place

(CS to local authorities).

Urban Development department

Pashuhaat/Mela

Guideline will be make according to U.K. (Uttar Khand)

Urban Development department and Panchayat

Department of Home will help in regulation of these haat&Melas.

Department of Animal Husbandry (AHD) will provide health coverage to animals, provide certificate for transportation.

- Dinesh Rai letter
- Parivahan
- All type of provision will be circulated.
(Department of Transport, Food safety, Home will do.)

Department of Home will regulate the Act.

Department of A.H.D provide certificate for transportation of animals.

Sick, injured and pregnant animals are transported without being checked by concerned authorities.

No animal transportation may be permitted without "Three to five certificates" in the prescribed format issued by registered Veterinary Officer. This would help curb illegal movement of livestock across the States.

8) Intelligence collection and information:

Enforcement agencies working in the border areas of Indo-Nepal Border need to emphasis on intelligence and information regarding smuggling of animals. In this regard, active support and cooperation could be sought from the public to give information with respect to movement of animals for the purpose of sacrifice through toll-knawali-gangs numbers of SSB and State Police.

By help of IJU and Intelligence agencies the information of smuggling can be achieved to check the problem

(Department of Home, Police, Transport, SSB)

AHD will coordinate.

9) Enforcement - State Police/Customs/SSB/DSPCA:

All the law enforcement agencies working in the border States may be directed to actively work individually towards achieving the objective of stopping illegal trade and smuggling across the border. However coordinated effort among all the agencies needs to be ensured through regular District SPICA meetings.

Home Department may write a letter to state police, SSB for enforcing law. The DSPCA will coordinate accordingly.

Department of Transport, Home

AHD will coordinate through DSPCA.

10) Disposal of seized animals:

The cattle once seized cannot be permanently kept in Kaji House/Animal shelters. The usual practice is to auction them. Mostly it is the smugglers themselves who take part in the auction and buy back the seized cattle. It is therefore, recommended that-

The animal seized during illegal transportation will be given to Goshala/Gosadan, Animal shelter etc.

Registration of cattle traders at district level may be done by AHD with order of DM.

(Department of Home, Urban Development department, Panchayat & Revenue)

- The heads of the cattle must be private
- Every Cattle Head Board Authority has to mandatory make a presentation of cattle

- PAGE NO. 6 OF 10
- Purpose must be mentioned for which it is being transported.
 - Trade routes and day of movement of cattle must be mentioned clearly.
 - The district authorities may have a centre of registration for movement of these cattle.
 - All cattle being transported must have an identification mark.
 - Rules may be framed to regulate disposal of seized cattle ensuring that the seized cattle do not get recycled into smuggling. Such guidelines have been drafted and adopted by Uttarakhand on 13th May, 2011 through GO number 398/XV-1/2011. The same may be adopted as Rules under Section 38 (1) of the Prevention of Cruelty to Animal Act 1960.
 - The State of Uttarakhand has issued a Government Order for entrusting the custody of the case property cattle rescued from animal sacrifice to the farmers on a Rs. 100 bond that such cattle must be used solely for agricultural purposes. This benefits the farmers as well as the cattle and ensures the quick disposal of productive cattle. The unproductive animals may be sent to suitable retirement homes or shelters. This system may be replicated in other States. SSB may be given the responsibility of identification of eligible allottees and facilitation of entrusting custody of the animals rescued to the allottees within its Area of Responsibility. The consequent physical verification and monitoring of such animals can also be done by SSB within their Area of Responsibility.

11) Transportation, feeding, maintenance and health care of the seized animals:

The cost of transportation, feeding, maintenance and health care of seized animals upto Animal Houses/Vet Hospitals/animal shelters may be borne by the District Magistrate as mandated by Section 35 (4) of PCA Act 1960 or the Customs Department in case of cross border smuggling of animals.

The cost of transportation, feeding, maintenance and healthcare upto seized animals will be borne by district authority. In case of smuggling the custom will borne.

(Department of District Homes, Revenue, AH, Customs, AWB)

12) Compliance of Section 35 (4) of PCA Act 1960 by District Magistrate with respect to fixing/revising of rates of transportation to infirmary, daily maintenance and treatment of animals may also be ordered by Hon'ble Supreme Court. In addition, as per Section 35 (5) of PCA Act recovery of daily maintenance of case property from the accused may be effected by District Magistrates in each case as mandated

Fixing of rate for transportation upto infirmary, maintenance and treatment of animals will be done by D.M. with the help of DSPCA.

13) Individual Identification/Tagging and registration of confiscated animals handed over to Kary House/Animal Shelters must be made mandatory by the Government Veterinary Officer in order to prevent recycling.

The animals seized will be tagged for identification then handed over to Goshala/Animal shelter. It is mandatory for inspection and postmortem of seized animals(AHD),

In case of illness or death of the seized animal it may be certified by the Government Veterinary Doctor of the area

14) Rehabilitation:

In order to prevent the sacrifice of weak cattle/cultured cattle, measures to create self sufficiency in villages by promoting the use of biogas, manure and other by products of gobar may be taken and successful models can be replicated.

Procedure for rehabilitation of seized cattle the following steps are to be adopted:-

The rescued animals which are protected in Goshala/Animal shelters will provide health coverage. -(AHD)

The rescued animal within their area will be maintained by the respective Department. -(Urban Development department & Panchayati Raaj)

Will provide land for grazing shelter/ of GocharBhumi)-(Department of Revenue)

With help of Rural division the training can be supported.-(Department of Rural development)

- (j) For productive animals - Uttrakhand Model may be adopted.

The State of Uttarakhand has issued a Government Order No 398(XV-1)/2011 dated 12.5.2011 (Annexure A-4) for entrusting the custody of the case property animals rescued from animal sacrifice to the farmers on a bond that they must be used solely for agricultural purposes. This benefits the farmers as well as the cattle and ensures the quick disposal of productive cattle.

State of U.K model may be adopted.

- (b) For unproductive animals: - Kanpur Goshala Model and/or Pathmedha (Kutch, Gujarat) Model may be adopted (Annexure A-5).

By help of Kanpur Goshala the idea can be adopted.

- (c) For unproductive animals, Gochar Bhumi development in compliance of Richter Supreme Court C.A. No.438 of 2011 may be effected by the concerned authorities (Annexure A-6).

Through Revenue Department the GocharBhumi can be developed (Department of Revenue)

- (d) Goshala/animal shelters must be preferred and developed in Government barren lands for a minimum period of 5 years for rotational grazing until the barren land converts to fertile land and thus heavy expenditure for improvement of unproductive land can be saved through unproductive animals.

In U.P. there are 481 registered Goshalas having land for grazing their animals. The GocharBhumi can be allotted for the animals (Department of Revenue)

- (e) The basic issue to save cattle and stop selling of animals to smugglers lies in making the business of smuggling unattractive by way of strict enforcement on the one hand and devising means of alternate revenues on the other. A Cooperative Society can be formed whereby a member would be motivated to give his cattle to the Society instead of selling to smuggler. He could be let at a value

certificates for the value of the croz so given and would be able to earn an annual dividend from the profits made by the Society out of the proceeds of agricultural and medicinal use of panch gavya, biopesticides, organic farming, compost and vermicompost towards improving the health of the soil and croz. The economic viability of such a project may be researched by the relevant department before considering implementation.

- (f) Training to make self sustaining and profit making Goshalas/animal shelters for non-milk yielding unproductive cattle is presently conducted in Karapur (UP) through its model Goshala. Master Trainers may be trained at this facility in order to build similar capacity in other States. This training program may be supported by the AWRI and SAWB. These Goshalas may be given initial financial assistance through the various schemes of the Animal Husbandry Department, Government of India.

(3) Prosecution and penalty:

The Hon'ble Supreme Court vide its order dated 7th May 2014 in civil appeal no.5387 of 2014 (para 77.8) has observed that the 'Parliament is expected to make proper amendment of the PCAA to provide an effective deterrent to achieve the objects and purpose of the act and for violation of section 11 adequate penalties and punishments may be imposed'

The same may be expected

20) Monitoring and Evaluation:

In addition to Ganthimai Mela which is held every five years, there are smaller festivals which occur in Nepal where animal sacrifice is also conducted. Extra vigilance may be taken during these periods as well. Therefore, it is recommended that a monitoring and evaluation committee may be constituted which may meet once every six months and submit their recommendations to the State and Central Governments. This will ensure lasting impact on the cattle smuggling across the Indo-Nepal Border.

The monitoring and evaluation will be done by SAWB and DSPCA of border district.

In monitoring committee a member of SSB is must.

The meeting will be organized at intervals of Six month.
